It is worth noting that these cures are lasting. Many medicines offer women's use are mere palliatives. They numb the nerves and so dull the pain. "My health is the best now that it has been for four years," writes Mrs. Phebe Morris, of Ira, Cayuga Co., N.Y., Box 52. "I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery,' These medicines have done me more good than all that I have ever taken before. I couldn't do my work only about half the time, and now I can work all the time for a family of four. Before I took your medicines I was sick in bed nearly half the time. My advice to all who are troubled with female weakness is to take Pierce's Favorite Prescription and "Golden Medical Discovery '-the most wonderful medicines in the world." Sick women are invited to consult Dr. Pierce by letter, free. All letters are held in sacred confidence and womanly confidences are guarded by strict professional privacy. Address Dr. R. V. Pierce,
